**BLDGS SLATED TO BE FUMIGATED
(7602, 7606, 7610, 7620)**

As part of the ongoing maintenance of the Development, the following buildings are scheduled to be tented for termites, weather permitting, as follows:

7620: 6/24/19 – 6/26/19**7610: 6/25/19 – 6/27/19****7602: 7/22/19 – 7/24/19****7606: 7/23/19 – 7/25/19**

The fumigation will require all residents of each building to leave their homes for 3 days and 2 nights.

The Association will pay for the cost of the tenting of the buildings while each unit will be responsible for all associated costs of temporary relocation. Each unit will need to be properly prepared (i.e. bagging of foods & medicines, cosmetics, removal of the plants, etc.) for the tenting to proceed. Otherwise, the unprepared unit(s) will have to pay for the rescheduling and/or delay costs involved.

Bldgs. 7610 & 7620 should have received authorization forms with self-addressed stamped envelopes to return to Lenz Pest Control. They were dropped off at each unit last week. Upon receipt, please immediately sign & return forms in provided envelope.

Bldgs. 7602 & 7606 will get their forms later as they will be dropped off at each unit for signature. Upon receipt, please promptly sign and return.

Notices of fumigation have been distributed to all the units. If you are an owner in one of these buildings, please notify your tenants, guests, agents, workers, etc. of the planned fumigation.

RESIDENT GUIDELINES ENCLOSED

Enclosed is your copy of the Assoc Resident Guidelines. Please take a minute to review and keep this document in a handy place for future reference. If you have renters, please make sure they receive a copy and comply. Owners are ultimately responsible for their tenants, guests, contractors, and agents' behavior.

VOLUNTEER FOUND FOR BOARD

At the May 9th Board Meeting, the Board appointed Colin Smith to fill the vacant spot left by Diana Gutierrez. Colin has been an owner/resident for the last 4 – 5 years. He will serve until the January 2020 Annual Meeting when his term will expire (and will be up for re-election if desired).

SURVEY RE GYM FORTHCOMING

With Colin's help, in the near future, the Association will be conducting an informal survey regarding the Gym at Bldg 7630. Your feedback will be taken into consideration. Thank you in advance for participating.

SMOKE ONLY IN DESIGNATED AREAS

If you need to smoke, please only smoke in designated areas. They are strategically placed away from bldgs to minimize causing a nuisance to others. Thank you.

PARKING SPACES FOR ONLY VEHICLES THAT FIT

If you have a vehicle that does not fit inside a parking space, you will have to park it outside the Development. Only vehicles that can be properly parked in between the 2 lines may be kept on-site.

Speaking about parking, if you have a vendor or guest that visits your unit, it might be best to allow their vehicle to park in your assigned spot while you park in another unassigned space. Otherwise, vehicles that park in the red zone / fire lane (or someone else's spot) will be towed at vehicle owners' expense.

POOL RULES REITERATED (Use at Your Own Risk)

As warmer weather approaches, the Assoc would like to remind all owners / residents of the pool rules (posted at the pool structure) which, in part, include the following:

1) Observe all pool hours and regulations. This includes making sure the pool gate is closed and locked when entering or leaving. Do not open the gate for people who themselves do not have a gate access card. They are most likely non-residents and should not be admitted.

This is especially true for neighborhood kids who are being dropped off for a day of unsupervised swimming in our pool.

2) Guests and minors (less than 14 years old) should be accompanied by an adult Resident when in the pool area;

3) Smoking and use of glass containers (bottles, glasses, etc.) are prohibited in the pool area. Unit can be fined or pool privileges revoked if any of these rules are violated.

DROUGHT CONDITION STILL EXISTS

A few residents have inquired about the car wash area. The Board discussed the current situation and, at this time, decided to leave the water off for now. While our area, fortunately, may have received a significant amount of rain this past winter, drought condition still exists.

FOUNDATION WORK @ 7606 FINISHED
Carter Construction has notified the Association that it is finished addressing the unevenness of the floor issue at the above building. Many thanks to all residents in this building for your patience and cooperation.

NEW GUTTERS & DOWNSPOUTS INSTALLED AT 7610

As mentioned in last month's newsletter, new gutters & downspouts have been installed at Bldg 7610. The Board is seriously thinking of getting all the other buildings done as well.

ASSOC WELCOMES NEW MEMBER

The Assoc would like to welcome its latest member: Ms. M. Burmester.

PARKING REMINDER

As a reminder, here are some parking rules that all residents, owners, guests, contractors, agents, etc. must comply with:

1) Unless otherwise posted as long-term or 24-hr parking, all unassigned visitor parking is limited to short-term 72-hr parking;

2) All vehicles must display valid, operational registration tags if parked anywhere in the Grove;

3) There is a maximum of two vehicles per Unit that may be parked in the Grove;

4) Unattended parking in Red, Tow-away, No-Parking fire lanes is not permitted. This includes vendors. As a courtesy, Units should park elsewhere and temporarily relinquish their assigned space to the vendor if the vendor will be working in the unit for any length of time. The vendor should be reminded not to park in the No-Parking areas except for brief loading and unloading of tools and materials. If left unattended, their vehicle can be towed at their expense.

NO DOGS ALLOWED OVER 25 LBS

As a reminder, per the CC&R's, only one (1) dog is allowed per unit and no dogs are allowed in the complex that weigh over 25 pounds.

In addition, visitors are not permitted to bring their pets into the complex at any time. This includes visitor dogs, large or small, unless the animal provides recognized assistance under the Fair Housing Act. *If you have a guest with a dog, please request that your guest leave the dog at home.*

REPORT BURNT OUT LIGHT BULBS

If you notice any common area light that is burnt out around the complex, please call or send an email to JamesN@Bartlein.com. For efficiency sake, please include all the specific details as to type and location. If able, please include a photo. Preferably, a call would be more efficient. Thank you.

INSURANCE INFO FOR REFINANCE

If you are refinancing your home loan, your lender may need to obtain an insurance dec page. You may call Timothy Cline Insurance Agency at 800-966-9566 and please follow the prompt.

Speaking about insurance, the Association insurance has a \$10,000 deductible. You should speak with your insurance agent about getting proper and adequate coverage so that there's no gap between what your insurance covers and the Association's. A copy of the Assoc insurance policy is available upon request.

All renters are strongly encouraged to get renters insurance.

ALL EXTERIOR ALTERATIONS REQUIRE BOARD'S PRE-APPROVAL

In order to keep things uniform, all exterior alterations (doors, screen doors, windows, patio flooring and lattice work enclosure, etc.) must have the Board's pre-approval. Otherwise, the Board will ask you to restore the altered item at your own cost or have it done and pass all related costs on to you. When in doubt, make your request known to the Board. To request for consideration, please email your request with specs, photos or plans to the Board, c/o Mgmt, at the address below. Please do so at least 7-10 days before a board meeting. Thanks.

THINKING OF REMODELING?

Unit Interior Modifications should also have prior Board Approval.

Unit owners have greater discretion for interior unit modifications and improvements, but any major modification should have prior Board Approval. Remember, certain interior changes are still not allowed. These include items like removing load bearing walls, dividing or combining units, and building useable areas in designated restricted airspace within third-floor units. Adding hardwood flooring should have prior approval to insure proper insulation and installation procedures are followed to reduce noise issues. As with exterior alterations, interior modifications made without prior Board approval or in violation of Grove regulations will be subject to removal, restoration, and/or further modification at the Board's request and at the Unit Owner's expense.

MAINTENANCE CONCERNS?

PLEASE CALL MANAGEMENT

If you see a maintenance issue around the complex, for faster response, please call 569-1121 #204. You may also send an email to JamesN@Bartlein.com but if you do not hear back within a couple of days, please call. Exterior maintenance may not always be the Association's responsibility but please contact Property Mgr, James Nguyen, for clarification.

ASSOCIATION TO REPAIR FAULTY PRESSURE REGULATOR AND BILL UNIT OWNER

In order to prevent damage to the foundation, seepage to lower units, and wasting of water, the Association will be replacing a faulty (leaking or one that makes loud noise) pressure regulator if it is not dealt within a week or less after a notice is distributed to the unit. All related costs will be passed on to the unit owner.

Thank you.

As part of the governing documents, all owners are required to provide your current information to the Association.
